Tribologik Corporation Welcomes you to its New U.S. Head Office and Laboratory

Tribologik Corporation has recently moved its US Headquarters and laboratory to Hammond, Indiana, in order to better serve its growing clientele in the USA :

Tribologik Corporation

1212, 172nd Street
Hammond IN 46324 USA

Tel, Chicago IL: 312-800-2888
Hammond IN : 219-228-4844

Sales : #203 Reception # 201

Very modern in design and architecture, our Hammond laboratory, located near Chicago, is equipped with brand new, high tech, new generation laboratory instruments.

Fully automated, ISO 17025 :2005 accredited, it features Tribologik's famous dual quality control system and expert system report generation with diagnostic, maintenance recommendations and the logic behind these recommendations, along with many other unique features.

Please contact your account manager for further information or email us info@tribologik.com
